Testimonial – Mr. Thierry Clerc

I have known Thierry professionally for 2 ½ years. During this time I have come to appreciate his medical knowledge and his treatment of numerous conditions with homoeopathy and natural remedies.

We have worked in close collaboration with several patients who have found increased benefit by having a team approach rather than isolated therapists. Patients have found him to be understanding, knowledgeable and always professional in his approach. I find it beneficial to be able to offer homoeopathy with Thierry as an adjunct to chiropractic treatment. This can greatly enhance its effectiveness and is useful when patients have a wide range of symptoms.

I am thrilled with the success that we have had in working together and would have no hesitation in referring patients to him when appropriate.

Yours sincerely

Dr. Steven Aronson
